Forward-Looking Statements

This news release may include certain "Forward-looking statements" within the meaning of Section 21E of the United States Securities Exchange Act, as amended. All statements, other than statements of historical fact, included in this release are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. This notice expressly qualifies all forward-looking statements in this release. The Company, through its management, makes forward-looking public statements concerning its expected future operations, performance and other developments. Such forward-looking statements are necessary estimates reflecting the Company's best judgment based upon current information and involve a number of risks and uncertainties, and there can be no assurance that other factors will not affect the accuracy of such forward-looking statements. It is impossible to identify all such factors, factors that could cause actual results to differ materially from those estimated by the Company. They include, but are not limited to, government regulation, managing and maintaining growth, the effect of adverse publicity, litigation, competition and other factors, which may be identified, from time to time in the Company's public announcements.

Signed
"Robert Slavik"
